Education

2015-2021	Ph.D. Agricultural and Applied Economics, **University of Illinois Urbana-Champaign**, US
2009-2010	MSc. Economics and Finance, **University of Bristol**, UK
2003-2008	BA Economics and International Business, **Universidad Icesi**, Colombia

Work Experience

2021 - Ongoing — Economics Specialist, **Inter-American Development Bank**
Office of Strategic Planning and Development Effectiveness (SPD)
Provide analytical and methodological support across the project cycle —from design through evaluation—to operational teams in multiple sectors and country offices. Lead and contribute to knowledge products on development effectiveness, including cost-benefit analysis guidelines, and reform of the Bank's evaluation guidelines.
Support country teams in policy dialogue with government counterparts and in the design and implementation of rigorous impact evaluations in areas of strategic importance, such as the evaluation of payments for ecosystem services in Costa Rica. Co-author research for peer-reviewed publication and IDB technical series.
Joined as Impact Evaluation Consultant (2021); transitioned to Economics Specialist staff position (2024).

2013-2015 — Economics Researcher, **Agrosavia**
Colombia's public institute for agricultural technology development. Led and contributed to applied research on farmers' adaptation to climate change and the economic impact of agricultural technology adoption. Generated knowledge products, such as different sector diagnostics (citrus and guava production), to inform research priorities and policy decisions in the sector. Engaged in dialogue with government officials and sectoral stakeholders on agricultural development challenges.

2012-2013 — Lecturer, **Universidad Icesi**, Colombia
Taught intermediate macroeconomics to undergratuate students.

2011-2012 — Management Consultant, **Ankara Solutions**
Worked to address the clients' needs, using a data-driven approach to generate recommendations to improve their processes.

2009-2010 — Research Assistant, **Universidad Icesi**, Colombia

Publications

2027 — **Ordonez, P.J.**, Murguia, J.M., Corral, L., Navarrete, G. Additionality and Targeting in Payment for Ecosystem Services: Property-Level Evidence from Costa Rica. *Journal of Environmental Economics and Management* (conditionally accepted).

2025 — **Ordonez, P.J.**, Hadunka, P., Del Rossi, G., Baylis, K. When crops fail, forests follow: Agricultural shocks and deforestation in Zambia, *Proc. Natl. Acad. Sci. U.S.A.* 122 (40) e2427156122, https://doi.org/10.1073/pnas.2427156122 (2025)

2025 — **Ordoñez, P.J.**. Recommendations for Cost-Benefit Analyses in Projects with Carbon Benefits from Trees. *IDB Technical Note*.

2023 — **Ordonez, P. J.**, Baylis, K., Ramirez, M.I. Land cover change effects from community forest management in Michoacán, Mexico. *Environmental Research Letters*. doi: https://doi.org/10.1186/s13750-022-00260-4

2022 Castle, S. E., Miller, D. C., Merten, N., **Ordonez, P. J.**, Baylis, K. Evidence for the impacts of agroforestry on ecosystem services and human well-being in high-income countries: a systematic map. *Environmental Evidence*. doi: DOI 10.1088/1748-9326/accdef

The impacts of agroforestry interventions on agricultural productivity, ecosystem services, and human well-being in low-and middle-income countries: A systematic review. *Campbell Systematic Reviews*, 17-2. doi: https://doi.org/10.1002/cl2.1167

2020 Miller, D., **Ordonez, P.**, Brown, S., Forrest, S., Nava, N., Hughes, K., Baylis, K. The impacts of agroforestry on agricultural productivity, ecosystem services, and human well-being in low-and middle-income countries: An evidence and gap map. *Campbell Systematic Reviews*, 16-1. doi: https://doi.org/10.1002/cl2.1066

2018 Brown, S., Miller, D., **Ordonez, P.**, Baylis, K. (2018). Evidence for the impacts of agroforestry on agricultural productivity, ecosystem services, and human well-being in high-income countries: a systematic map protocol. *Environmental Evidence*, 7-1. doi: https://doi.org/10.1186/s13750-018-0136-0.

2017 Miller, D., **Ordonez, P.**, Baylis, K., Hughes, K., Pushpendra, R. Protocol for an evidence and gap map The impacts of agroforestry on agricultural productivity, ecosystem services, and human well-being in low-and middle-income countries: An evidence and gap map. *Campbell Systematic Reviews*, 13(1). doi: https://doi.org/10.1002/CL2.173

Working Papers

"Payment for Ecosystem Services in Costa Rica: Evaluation of a Country-wide Program" (R&R)

"Power Plants, Air Pollution, and Health in Colombia".
"The Response of Colombia's Manufacturing Sector to Changes in Energy Prices", with Mateus Souza.

Teaching Experience

Instructor

Spring 2019 Environmental Economics **University of Illinois Urbana-Champaign**
2012-2013 International Economics, Intermediate Macroeconomics **Icesi University**
Fall 2018 TA for Environmental Economics **University of Illinois Urbana-Champaign**

Accepted Presentations

2023 AERE Meeting ◇ TWEEDS (workshop in environmental economics and data science)
2022 AAEA Summer Meeting
2020 AAEA Virtual Meeting
2019 AERE ◇ MEA ◇ FLARE (Forests & Livelihoods: Assessment, Research, and Engagement)
2018 AAEA ◇ Collaboration for Environmental Evidence (Paris, France)

Fellowships and Scholarships

2023 AERE Scholars Program
2018 ACES Graduate Student International Research Grant ($3,000)
Tinker Foundation Field Fellowship ($2,200)
2009 Colfuturo Scholarship recipient, Agencia Nacional de Hidrocarburos,
Santander Abbey Bank - University of Bristol Masters Scholarship

Languages

English - Fluent Spanish - Native French - Advanced

Software

Stata, R, ArcGIS, QGIS, LaTeX

Professional Services

Referee - Journal of Health Economics, Environmental Research Letters
